

GETTING TO KNOW YOUR COMMUNITY

RECREATION BUILDS HEALTHY COMMUNITIES!

DID YOU KNOW?

Being **FIT** and **HEALTHY** is a lifestyle choice for many in Oromocto in part due to the many recreational programs and organizations that help to build stronger families and a healthier community. The Recreation & Tourism Department offers a series of instructor-led fitness and wellness programs for people of all ages. The programs are advertised in the bimonthly Recreation Guide that is delivered to each town residence. This information is also on the Town's website. The Military Family Resource Centre 422-3352 and the Gagetown Fitness Centre 422-2749 also offer fitness and wellness programs within Town.

RECREATIONAL ACTIVITIES are essential to the holistic development of our children and youth!

Local Recreation Organizations

The following is a partial list of some youth sport organizations:

WHAT'S NEW?

Construction is underway for a new Visitor Information & Interpretive Centre which will provide traveling public & residents with an interpretive experience highlighting the amenities in the Town of Oromocto, our Gateway Wetland and trail, the First Nation's heritage, our valued military history and presence, and the Oromocto Watershed Adventure Trail system.

WHAT YOU CAN DO!

Volunteer

As you can see on the left, there are several volunteer organizations within the Town that could certainly benefit from your experience & skills. Volunteering is a great way to become involved in your community, meet new people and build relationships. You can also acquire new skills, gain knowledge and learn from others all while making a difference and helping others.

WHAT WE WANT TO IMPROVE

The Town of Oromocto Council has endorsed the 2021-2025 Park Improvement Strategy. Based on community feedback a number of park improvements are planned including more seating and shade, aging play structure replacement, wayfinding signage, and accessibility.
