Hello!

The New Brunswick SPCA and the Town of Oromocto have partnered with DocuPet to handle licensing of dogs and cats and reward pet owners for licensing their pets!

Dog licences are required in nearly every municipality across Canada, including the Town of Oromocto. We also offer voluntary cat licences. Pet licence fees help support pet-related initiatives in our community including shelter services, and animal control efforts.

DocuPet's mission is to provide a safe and happy home for every pet. This starts with licensing, but it doesn't end there. One in three pets become lost at some point in their lives (yikes!). Our program is designed to get those pets home.

For more information, and to license your pets, please visit spca-nb.docupet.com, email info@docupet.com, call us at 1-855-249-1370, or visit the Town Office!

If you licensed in 2023 you can expect to hear from us directly to help you renew for 2024!

Why DocuPet?

Not Your Average Pet Tag

Our high-quality zinc alloy tags have a special code on the back that is unique to each pet and associated to their private online profile.

Designed to Get Your Pet Home Safe

Using the code found on each pet tag, pet finders can use our Lost Pet System to help reunite a pet with their family. Pet owners can also send Lost Pet Alerts that are distributed to our team, the local pet shelter and to fellow pet owners who have agreed to be part of our Lost Pet Brigade. This service is completely free to all DocuPet members!

Rewards For You and Your Pet

DocuPet has teamed up with businesses to provide discounts to members. Show your Rewards Card at any of our participating partners to receive great deals on all sorts of products and services.

Our Lost Pet System has helped hundreds of pets get home safe!

FOUND: Bobby

Meet Bobby, a Shih Tzu licensed with DocuPet. Last May, Bobby got a little too adventurous and squeezed through his backyard fence.

He was found a few blocks away. In just a few minutes, Bobby's finder had checked his tags, entered his unique licence number into the DocuPet website, and contacted his owner, Donna, using a Found Pet Report.

Donna and Bobby were reunited within a half hour of his escape!

FOUND: Little Cat

Little Cat, is a licensed outdoor cat who went out looking for a lady friend and got lost. Owner Michelle called on the local Lost Pet Brigade by submitting a DocuPet Lost Pet Report.

The next day, a cat was found with DocuPet Tags and the lady who found him looked up the tag number on the Licensing Website and contacted Michelle!
