

# OFF-ROAD VEHICLE ACTION PLAN

June 2020

## Short Term:

Subject	Action	Owner	Comment	Timeline	Status
Gates	Improve process for securing existing gates	DRT	Gates are opened in winter for snow removal and need to be secured once snow operations cease.	Immediately	Complete
Map	Develop improved map of Hazen—Deer Park corridor indicating gates, lights and future locations of cameras and obstacles/barriers.	DRT	Map will enable clear communications for Council and staff when referring to a particular section of trail. Maps will also be used to communicate barrier/camera locations to public.	June 2020	With graphic design to amend Tourism Map
Barriers	Install new barriers (rock and cement) at key locations on Trail in Hazen Park and Deer Park Corridor.	EPW	New barriers are intended to reduce ATV traffic on non-authorized trails; barriers will be identified on a map, communicated broadly, and augmented with reflective tap.	15 June 2020	Work will commence once crews complete initial asphalt work – June/July 2020.
Camera Installation	Install East and West facing cameras at old Public Works site.	EPW	Cameras will be identified on a map, communicated broadly, and signed. Cameras will be used for deterrence, and investigative purposes.	June 2020	
Communications Plan	Develop proactive communications plan	A/Clerk	Comms plan will include social media and hand delivery. Key messages will cover contact information, citizen roles, safety, trail maps, and this action plan.	15 June 2020	Complete
Collaboration with QuadNB and other stakeholders	Discuss current agreements and responsibilities and develop plan.	CAO	NB ATV, Snowmobile, Trails, Tourism etc.	Immediately	Initial discussions have occurred, and each partner has follow-up actions.
RCMP Enforcement	RCMP will increase patrolling capacity in focused areas.		Off-Road Vehicle enforcement remains a stated priority by the Town of Oromocto. RCMP will develop a plan and report monthly to Council on outcomes.	Immediately	
Request for Provincial Off-Road Enforcement Team	Provincial Off-Road enforcement team has been requested to increase enforcement activities.	RCMP/CAO	Request has been made via multiple networks. However, the Town acknowledges that the vast majority of Public Safety employees are working on border security related to COVID-19.	June 2020	

# OFF-ROAD VEHICLE ACTION PLAN

June 2020

## Medium Term:

Subject	Action	Owner	Comment	Timeline	Status
Trail Connections	Review opportunities for allowing trails on West and East edges of Oromocto to connect to broader trail system to the south of Oromocto.	DRT/ CAO	This will involve discussions with multiple associations and DND.	Late 2020 and 2021	

## Long Term:

Subject	Action	Owner	Comment	Timeline	Status
By-Law Review	Conduct review of By-law, and seek guidance from Council re long term vision for ATV in the community.	CAO	Consultation with public will be required before any changes are proposed.	2021	
Tourism/Ec Dev	Based on findings of above, develop a tourism strategy, aligned with Council intents and provincial strategies for authorized and desired ATV use in the community.	CAO		2021
